

## HEALTH FEE SCHEDULE

### Mantoux Skin Test:

\$15.00 fee. Fee shall be waived for disease contact.

### Flu Vaccine:

Standard dose: \$25.00, High dose for those 65 and older: \$40.00 includes administration fee. If vaccine is available from ODH for those 18-64 years of age with no ability to pay, fee is waived.

### Vaccine Administration Fee:

\$15.00 per Vaccine

Fee shall be waived for those that are uninsured or underinsured and receive VFC vaccine. VFC Vaccine is provided to children through the age of 18, who are uninsured, underinsured, or Medicaid eligible.

### Adult Vaccine:

Insurance will be billed through Vaxcare. Those without coverage will pay by cash or check at the time of service. The following are current vaccine rates, which do not include the \$15.00 administration fee.

Tdap:	\$37.00
Td:	\$22.00
Hep B	\$54.00
Hep A	\$64.00
Prevnar 13	\$173.00
Zostavax	\$195.00
HPV	\$193.00

All lab fees and exemptions as written in the "Ohio Department of Health's Infectious Disease Control Manual" shall serve as fee and exemption protocol for disease or contact investigation.
