

MEDICAL DIRECTOR (Part time, not to exceed 23 hours per week): The Columbiana County Health District is accepting applications for a part time Medical Director.

Applicants must be a Licensed Physician in the state of Ohio and have applicable experience and education that relate to public health and direct patient care. Applicants must also hold a valid driver's license and have reliable transportation and auto insurance. Applicants must be available and on-call to support agency staff for the delivery of medical services and public health emergency response. The physician must be dependable, organized, possess excellent communication skills. A successful applicant will have a strong medical foundation and be able to interact effectively with work teams, groups and the public.

A background check is required and drug testing may also be required. The position will work directly with the agency Health Commissioner, Medical Services Administrator and Director of Nursing to guide the delivery of medical services.

Interested parties may submit a resume and letter of interest by noon August 6, 2021, to the Columbiana County Health District, 7360 State Route 45, P.O. Box 309, Lisbon, Ohio 44432 or email cchd@columbiana-health.org.
